Total Immersion training at the **Spartan Ranch** in Maysville, NC

“I am a believer and often indicate every Intelligence and counterterrorism professional should take your course. I reviewed what you have done with your course curriculum and realize your training is even more important now.”

“The quality of the training during the Mirror Image® Course was exceptional. All of the instructors were not merely subject matter experts, but masters of their subjects with both impressive credentials and extensive real world experience. The overwhelming opinion of the officers that attended the Mirror Image Course is that this course was very effective in putting them into the mind of the Islamic Terrorists we are fighting in the Global War on Terrorism (GWOT) and would be exceptionally valuable training immediately prior to a deployment to a GWOT Theater of Operations. The Brigade S-3 and Brigade Commander both commented that this training was also more effective in teaching the cultural aspects of the Arabic culture than the courses which our Brigade’s senior personnel attended at the Naval Post Graduate School immediately prior to deployment to Iraq for OIF II.”
